

**2020-2021 Action for Healthy Kids
Game On \$1,000- Physical Activity Grant
Instructions and Checklist
Application for Funds due Friday, April 3, 2020**

Action for Healthy Kids is pleased to release its *Game On* grant opportunities for the 2020-2021 school year. Schools will be awarded a \$1,000 grant to support physical activity and nutrition initiatives that help schools provide a learning environment where students are healthy, active and ready to learn. Funded schools will also receive expertise and support to help implement a successful project that leads to sustainable change.

Steps to Apply

1. Complete the Action for Healthy Kids [School Health Survey](#) to find out which type of *Game On* Grant your school is eligible for. Once you complete the survey, you will receive an email containing this information.
2. Register and participate in the *2020-2021 Game On Grant* webinar. In this webinar, you'll learn about specific grant details, which states are eligible, and receive helpful tips for applying. This webinar will be archived for those unable to attend the live session.

Game On Grant

What is Game On?

Game On is a no-cost online guide providing all the information and resources you need to host a successful wellness program in your school with the ultimate goal of implementing comprehensive health programming. Game On is flexible and adaptable to help you improve student health while also meeting your school’s needs, wherever your school is in the process. For more information, visit <https://www.actionforhealthykids.org/game-on-program/>.

Game On aligns with the following components of the Whole School, Whole Community, Whole Child (WSCC) model: health education, physical education & physical activity, community involvement, family engagement, and nutrition environment and services. The WSCC model is an evidenced-based model that focuses its attention on the child, emphasizes a school-wide approach and acknowledges learning, health and the school as being a part and reflection of the local community.

Game On Grants

Game On grants provide funding for schools to implement physical activity and nutrition initiatives. Applications for the \$1,000 physical activity grant level must include at least one physical activity initiative. PK-12 schools in all states are eligible to apply for a \$1,000 grant.

Active Schools

Funded schools will automatically be enrolled as an Active Schools Champion. Active Schools Champions receive monthly e-newsletters with information about physical education and physical activity grants as well as free resources, programs, services (e.g., webinars) and special events. Only Active Schools Champions and schools are eligible for some grants, and for others, they receive preference. Champions are the first to hear about special events like Take Your Parent to PE Week (last week of September) and other promotions, contests, and opportunities. Funded schools will have the opportunity to opt-out of this automatic enrollment.

Awarded schools will:

- Implement at least one physical activity initiative (see list below) to advance at least one of the following:
 - Physical activity minutes (to at least 30 minutes per day or by 10% if minutes are already more than 30)
 - Percentage of students participating in physical activity initiatives
 - Percentage of time students engage in moderate-to-vigorous physical activity

Physical Activity Initiatives
• Outdoor Active Recess
• Indoor Active Recess
• Play Space or Gymnasium Refurbishing
• Physical Education Equipment

• Brain Breaks/Classroom Physical Activity
• Before-School Programming
• After-School Programming
• Fitness Assessments/Testing
• Walk/Bike to School Initiatives
• Other

- Advance at least one of the following impacts as a result of your school’s proposed physical activity programming:
 - Increase in student self-awareness
 - Increase in student self-management
 - Increase in student social awareness
 - Increase in student relationship skills
 - Increase in student responsible decision making
- Provide information to students and parents on the importance of physical activity and nutrition.
- Complete AFHK’s School Health Index at the beginning and end of the grant cycle.
- Submit midterm and final reports, with photographs, to show project updates and results.
- Join the celebration during *Every Kid Healthy Week* by hosting a family-friendly health-promoting event during April 2021.

Schools with greater than 50% of students eligible for free/reduced priced meals and within the following states may receive priority: FL, TX, GA, NC, NY, WI, IL, IN, MN, MD, MI, OH, PA, CA, CO, AR, TN, AZ, KY, VA. All schools, however, are strongly encouraged to apply. Award decisions are based on building enrollment, project type, potential impact and a school’s ability to mobilize parents and students around school wellness initiatives.
