

ACTION FOR
HEALTHY
KIDS 

AFHK School Health Index

Common Challenges and Actions to Advance Your Score!

Common Challenges

- Lack of collaboration between school health services and other staff

Actions to Advance Your Score

- » **Understand the gaps in school health services to better advocate for needs.**
 - Resource: [School Health Services](#) (CDC)
 - Resource: [Understanding and Advocating for School Health Services](#) (Healthy Schools)

- » **Leverage your school health team to elevate the expertise and foster collaboration to support school health initiatives.**
 - Resource: [Building Representative School Health Teams](#) (Action for Healthy Kids)

Start small & celebrate success along the way!

Next Steps

- » If you haven't already, gather or build your team.
 - Resource: <https://www.actionforhealthykids.org/step-1/>
- » Complete the School Health Index in the Action for Healthy Kids School Portal with your school health team.
 - Resource: <https://www.actionforhealthykids.org/school-health-index/>
- » Use your results to develop an action plan. Identify strengths to build off and focus in on your areas of opportunity.
 - Resource: <https://www.actionforhealthykids.org/step-3/>
