2022 National Conference on Child Health and Well-Being

REAL TALK | REAL SOLUTIONS

November 2–4, 2022 • Chicago, Illinois

#AFHKConf #RealTalkRealSolutions

The National School District Wellness Coalition is committed to ensuring students are healthy, safe, engaged, supported and challenged, and to drive a national education agenda that supports the whole child. Members of the Coalition are invited to a special convening being held in conjunction with the [National Conference on Child Health and Well-Being](#) to network and share best practices, successes and challenges with other coalition members. Registration is \$550 per individual and covers the cost of the convening and the AFHK National Conference. AFHK encourages at least one representative from each member district to attend. [Register here](#) (special link for coalition members only).

Convening Objectives

- **Learn about best practices, tools and resources** for implementing the Whole School, Whole Community, Whole Child (WSCC) model, as well as what’s working in other school districts
- **Share work your district is doing** around the WSCC model
- **Network with other district leaders** who are responsible for ensuring health and wellness is integrated into the educational system
- **Inspire and be inspired** by the work of other districts
- **Take action in your own district** in implementing the WSCC model to ensure students are safe, engaged, supported, challenged and healthy
